

wxGrid

```
graph BT; A[DataGridWithClipboardFeature] --> B[wxGrid];
```

A UML class diagram showing an inheritance relationship. A box labeled 'DataGridWithClipboardFeature' at the bottom has a solid blue arrow pointing upwards to a box labeled 'wxGrid' at the top. The 'DataGridWithClipboardFeature' box has a light gray fill and a black border, while the 'wxGrid' box is white with a gray border.

DataGridWithClipboardFeature
